

## **SUSTAINABILITY POLICY**

### **INTRODUCTION**

Sustainability management is an integral part of the business of SPEEDMART (Firm) which goes beyond economic, legal or regulatory motives. The Firm is in the business of Recruitment, Sourcing and Employer of Record (EOR) services of human resource capital and understands the social and ecological impact of the business. The Firm works towards being a responsible Indian organization by adopting sustainability practices in all levels of its business impacting overall performance of the Firm. This policy defines the framework for sustainability at SPEEDMART and provides a governing platform for Sustainability work streams to create long lasting value for business, environment and society

### **SCOPE**

This policy applies to all levels of the organization across the Firm and its subsidiaries.

### **VISION**

The vision of this policy is to become an industry leader in the field of human capital recruitment and employment by implementing sustainable business practices which help maximize benefit to the environment and community.

### **OUR COMMITMENT**

We aim to follow and promote sustainable business practices and to co-create sustainable business value for our stakeholders to achieve their sustainability goals. We believe that environmentally sustainable business operations will empower us to create a sustainable future.

### **POLICY**

We at SPEEDMART, a recruitment and EOR entity, recognize the impact of our business operations on the 3 key pillars of sustainability, namely Human development, Safety and Gender equality for a sustainable environmental impact. Hence it makes continuous efforts to optimize efficiency across the environmental, social and governance framework of the Firm. SPEEDMART encourages involvement of all stakeholders and ensures that the policy is well communicated, implemented, monitored and reviewed periodically.

### **HUMAN DEVELOPMENT AND EMPLOYEE WELFARE – UN SUSTAINABILITY GOAL 3**

SPEEDMART ensures a safe and motivated work environment for its employees and associates, fostering a climate of social responsibility and volunteering towards the community environment, ensure appropriate access to safe water, sanitation and hygiene for all its employees in the premises, supporting health of the employees.

SPEEDMART constantly monitors Electricity and Water consumption, and waste generation and disposal through the supplier invoicing and waste management processes of its co-working premises it operates from.

SPEEDMART has adequate practices for maintaining transparency, fairness and equity for acquiring and retaining its employees and associates. The Firm provides Health Insurance cover, Retiral benefits, like Gratuity and Accident Insurance to all its employees.

#### **GENDER EQUALITY - UN SUSTAINABILITY GOAL 5**

SPEEDMART is committed to achieving and maintaining gender equality by providing equitable employment to women. During the current Financial Year (2024-25), SPEEDMART stands at 50% of its EOR manpower as women employees, whereas it has 75% internal workforce as women employees.

SPEEDMART is committed to maintaining equity of gender-based employment, i.e. greater than or equal to 50% ratio of women employees.

#### **WORK AND ECONOMIC GROWTH - UN SUSTAINABILITY GOAL 8**

SPEEDMART is committed to contribute towards sustainable development and economic growth by providing employment of both Tech and non-Tech manpower thereby participating directly in the business growth of its clients and partners.

The Firm meets the requirement of relevant laws, regulation and code of practice by conducting its operations with due regard for the environment and providing a safe and healthy workplace for its employees. SPEEDMART provides appropriate training to employees on EHS and implement best practices from time-to-time.

- To continue to increase the contribution from renewable energy sources towards meeting overall energy demand – Ensure short distance travel is done by road or train
